

# PRACTICE SAFE SPIROMETRY

## Infection Protection For Your Patient, Your Environment ...and You!

SDI Diagnostics, a leading manufacturer in spirometry supplies, has over 20 years experience in PFT filters.

*Pulmo***GUARD IQ**™

### Midmark IQspiro™ spirometer users --protection for you: Save money!

Hollow pneumotachs do nothing to protect you in your test environment. When patients blow, millions of potentially harmful pathogens are forcefully blown into your space.

For your protection, SDI has designed filters specifically for the IQspiro pneumotach.
